New EAARS Members!

WELCOME

Membership Renewal Drive

Greetings to EAARS Members

First of all, we wish to thank everyone for their continued support of the club. We cannot continue to do what we do without the support of you, the members.

EAARS membership dues run on a calendar year basis, IE January – December. Dues continue to be \$24.00 per calendar year. We desire to collect dues in a timely manner. Therefor each year we have a campaign that if dues for the following year are received by December 15th of this year, 2025, you will be entered into a drawing for a gift certificate to Ham Radio Outlet. The drawing will be held at our January 2026 membership meeting. You DO NOT have to be present to win. **Everyone paying their 2026 membership dues by December 15th 2025, will be entered into this drawing.** Yes, this is an incentive to pay your dues in a timely manner. This helps the club administratively. Thank you all for your understanding, and good luck.

There are several ways that you can pay your EAARS membership dues.

1. Bring cash or check to our next EAARS meeting to be held on Tuesday, November 18, at Search & Rescue building in Thatcher. Meeting starts 6:30 pm.
2. Write a check and mail it in made payable to EAARS or spell it out: Eastern Arizona Amateur Radio Society. Make sure to put your CALLSIGN on the check, or a note along with your check. We keep our club data base by call sign.

Mailing Address: EAARS PO Box 398, Solomon, AZ 85551

3. To pay by PAYPAL. There is a \$2.00 fee to cover the transaction costs. IE \$26.00 will be charged. This is convenient to many members. To pay by PAYPAL: Go to the link below, which will take you to the pay pal page on EAARS web site. Be sure to enter your CALLSIGN and name in the lower left corner of the page. Then just click on BUY NOW. Very convenient for you and EAARS.

www.eaars.com/pay.htm

4. ZELLE: We have taken the suggestions of some members to include an additional payment option. It called ZELLE Most banks have this option available. Just check with your bank if you are not already familiar with this procedure.

To renew via ZELLE: Use your bank procedure. Our name is: eaarsdues@aol.com. TYPE in \$24.00 as the amont. Please be sure to include your Callsign in the MEMO field.

Again, we wish to say thank you all for your continued support of the EAARS club.

73 for now. Larry N5BG, EAARS Secretary & Treasurer

EAARS WEBSITE & FACEBOOK PAGES ARE GOING STRONG

As many clubs and organizations are migrating from websites to dedicated Facebook pages, the EAARS group continues to support the best of both worlds. The EAARS web page continues to be a great resource to learn about the EAARS system and its history. Membership information and application can be found on the website along with copies of previous newsletters and photos. There are sections for Club News, Nets, Guidelines, Streaming Audio Link and so much more.

If you haven't checked out the website lately, you are encouraged to do so. The website makes it very easy to pay your yearly dues through PayPal. You DO NOT need a PayPal account to use PayPal. It also allows you to enter your credit/debit card information within the PayPal screen.

The EAARS Facebook page is growing stronger by the day. As of this writing, we have 436 Hams in the EAARS Facebook group. You do not have to be an EAARS member to join the group. But you MUST be a licensed Ham to join. All 436 Facebook members, are licensed Hams. For that reason, the EAARS Facebook page, is a PRIVATE group and does require proof of licensing to become a group member.

What can be done on the EAARS Facebook page? Here you can instantly start conversations on Ham Radio in general just by simply posting a message. You can list items for sale. You can view the many photos in the photo section. The Files section allows you to download many articles including a map of the EAARS system. Many Ham Radio Events such as upcoming Hamfests, are listed and you are notified when Events take place. The latest EAARS Newsletter can always be found here. Older copies are available on the website).

Keep up with what's happening with EAARS thru the website and the Facebook page. Here are the links...
